DIFFERENTIAL DIAGNOSIS

HEALTHY DATA

Grok sees others running from danger and compares his behavior to stay safe. This is pure data gathering.

TOXIC COMPARISON

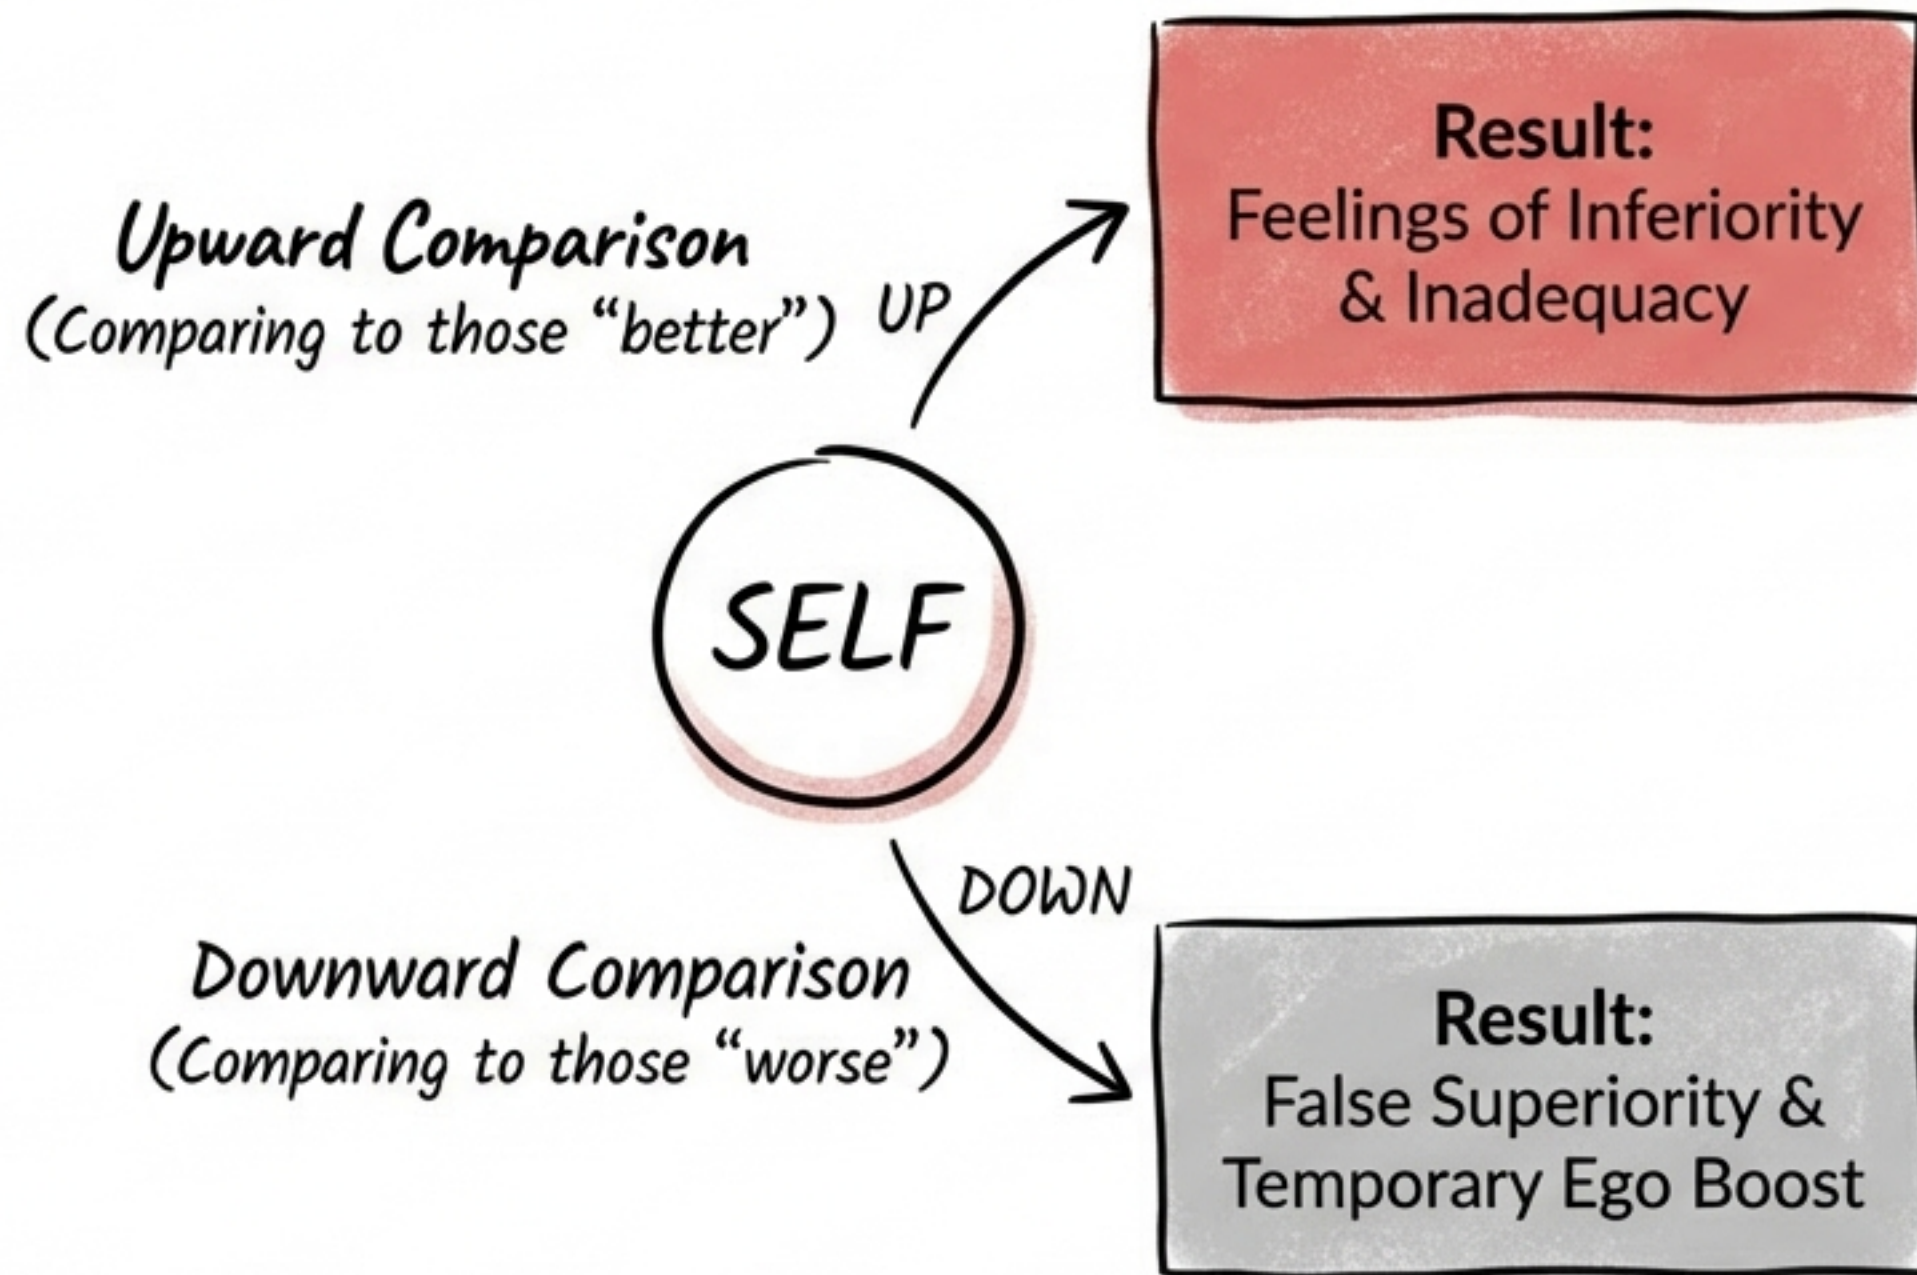

The compulsion to compare accomplishments to determine worth. It becomes toxic when we attribute MEANING to the differences.

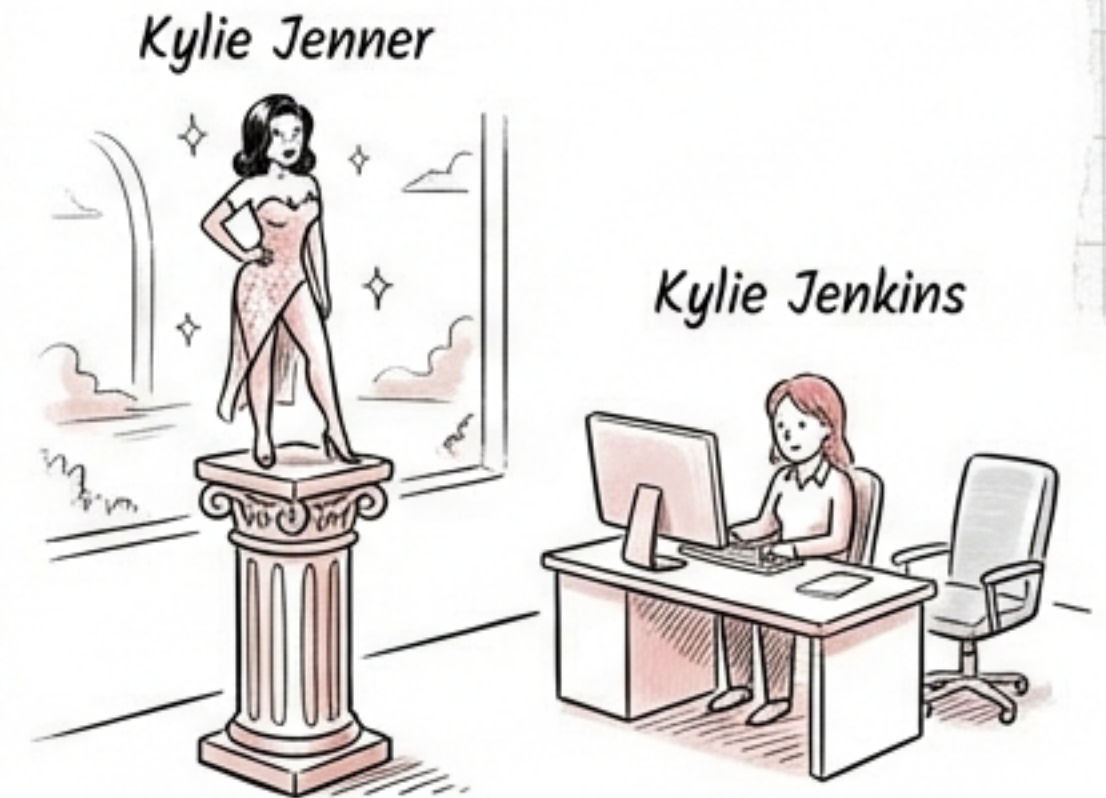

"Comparisonitis is a contagious condition. It's the thief of joy."

THE PATHOLOGY: SOCIAL COMPARISON THEORY.

Festinger's theory

The Proximity Effect

The **\$10k** raise of a colleague **hurts** more than the **billions** of a celebrity.

We compare **fiercely** with those close to us.

CHECK YOUR VITALS.

SYMPTOM CHECKLIST.

- ☒ - Toxic Self-Talk (Inner Critic active)
- ☒ - Feeling "Behind" on life timelines
- ☒ - Social Media Overkill (Doom-scrolling)
- ☒ - Competition Culture (Life as a race)
- ☒ - Contagion (Passing anxiety to others)

Warning:
Highly Contagious!
(Can be passed from
parent to child).

Inspo-Action

If you spot these signs, the "***Ostrich Approach***"
won't work. ***Time for treatment.***

THE IMMEDIATE REMEDY: ACES.

A

AWARENESS

Notice the symptom
(tight chest, envy).
Name the feeling.

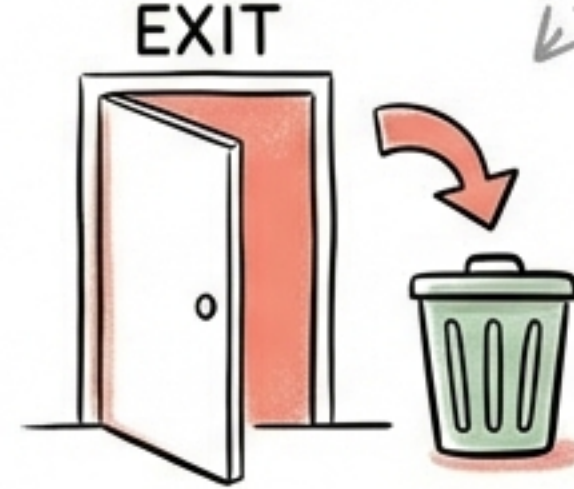

C

CHOOSE

Choose a different
path. Affirmation:
"I choose love" or
"I choose peace".

E

Remove the trigger.
Exit the room, put
down the phone, or
Exhale deeply.

S

SHIFT

Shift your state.
Move your body,
shake it out, or
practice gratitude.

BUILDING IMMUNITY: PREPPING THE SOIL.

THE 4 HEADSPACE HEALERS:

- **1. Live Vibrationally** (Energy) - Focus on positive energy and frequencies.
- **2. Candle Consciousness** (Abundance) - Cultivate an abundance mindset.
- **3. Dial Up Self-Worth** (Inherent Value) - Recognize your inherent worthiness.
- **4. Cast Aside the Critic** (Mastering the Voice) - Silencing the inner critic and negative self-talk.

HEADSPACE HEALER: CANDLE CONSCIOUSNESS

Comparisonitis

THE PIE PERSPECTIVE (SCARCITY)

Finite. If you take a slice, there is less for me.
Breeds fear and competition.

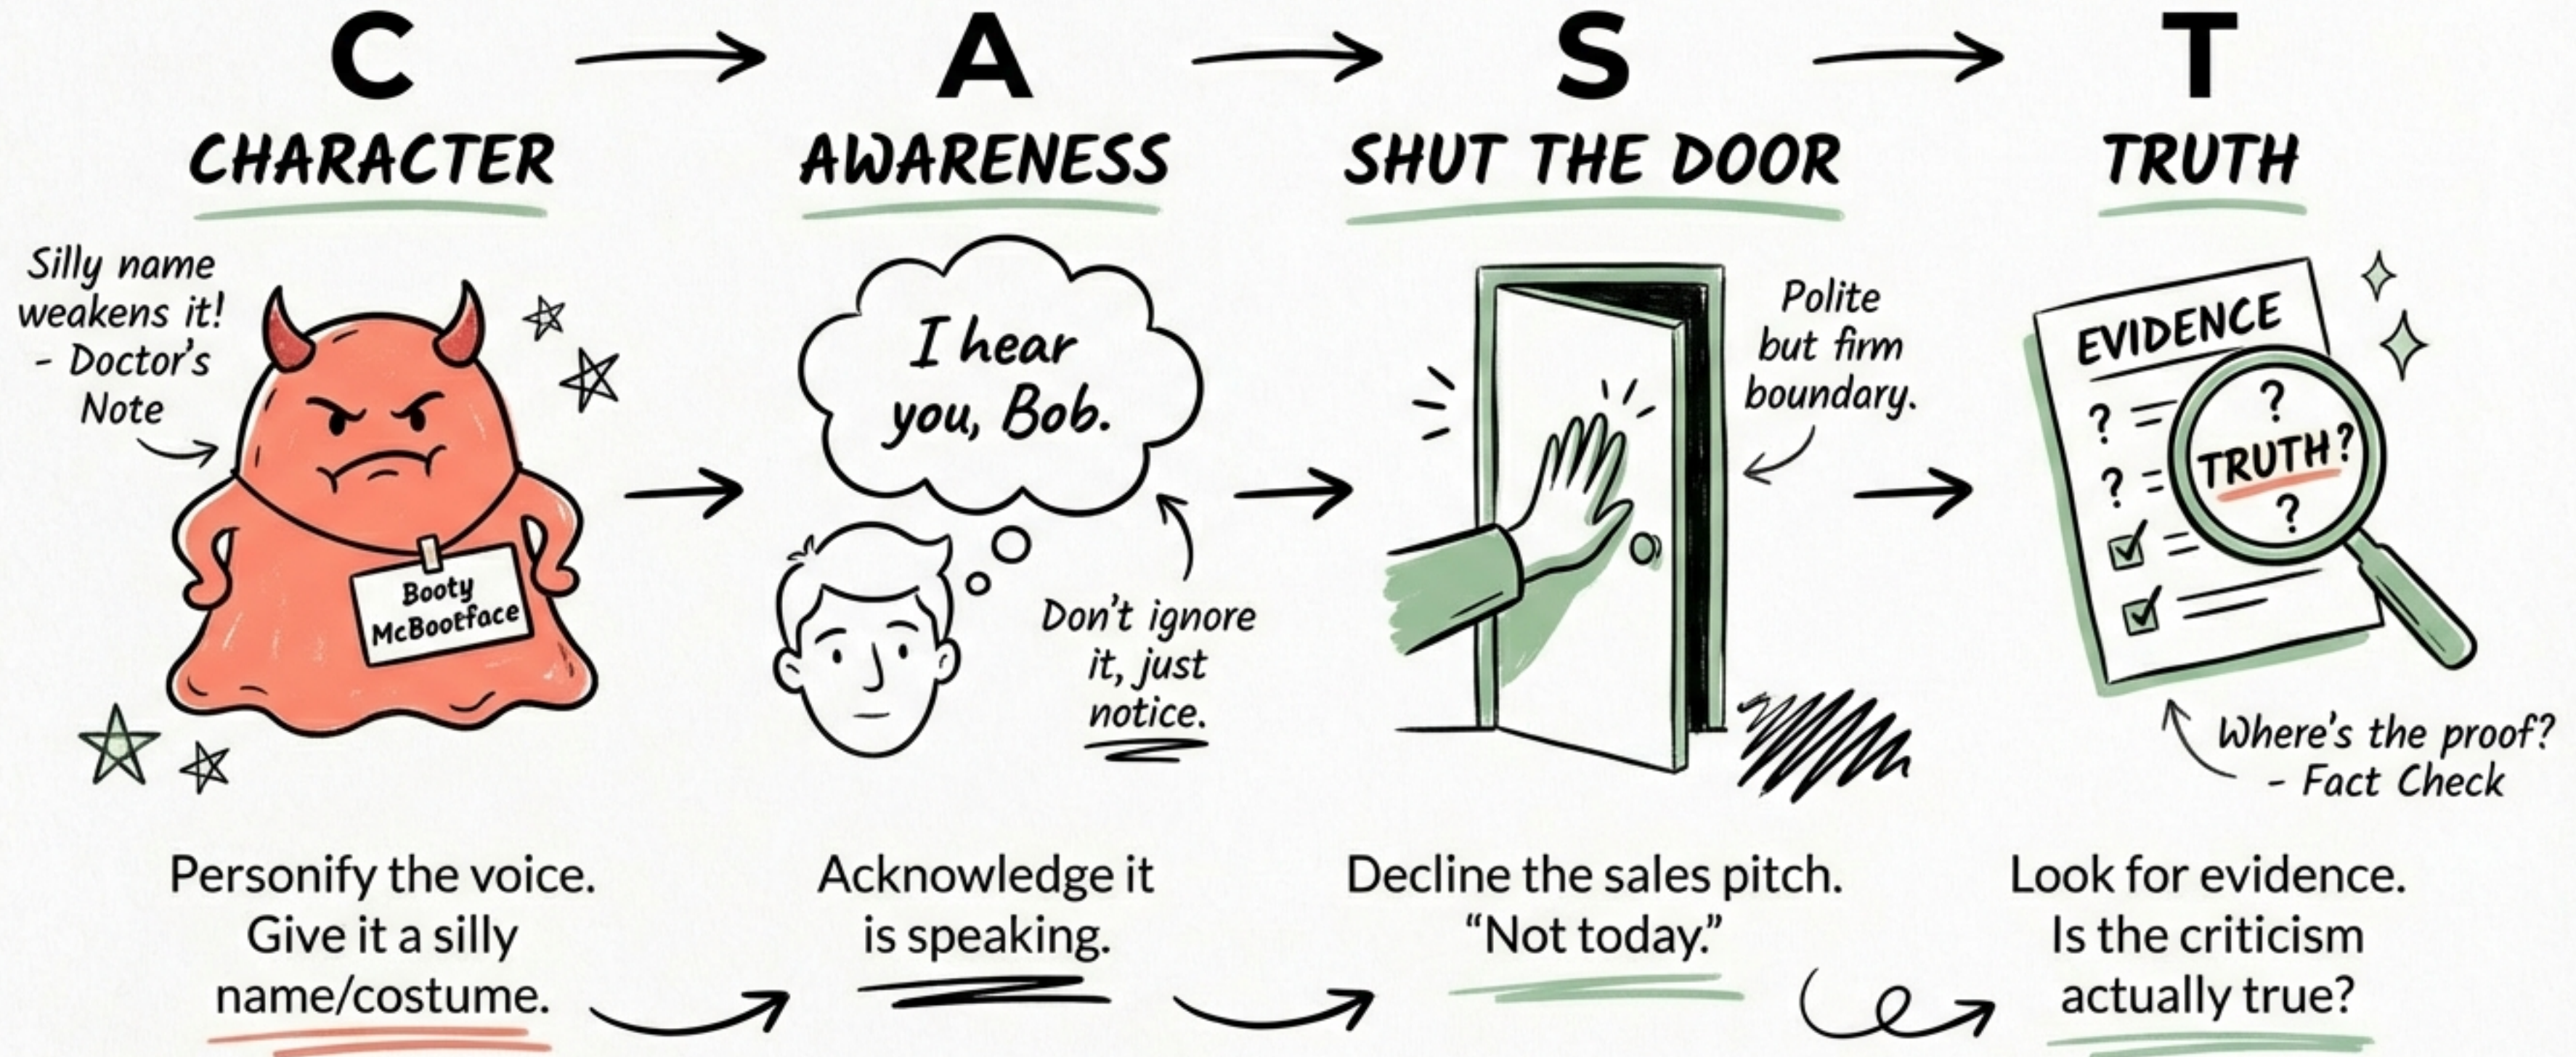

CANDLE CONSCIOUSNESS (ABUNDANCE)

Infinite. Lighting another candle does not dim
your own. It makes the whole room brighter.

☀️ **WHEN A FRIEND SUCCEEDS, SWITCH FROM PIE TO CANDLE.** ☆
➡️ **THEIR LIGHT PROVES WHAT IS POSSIBLE FOR YOU.** ← ☆

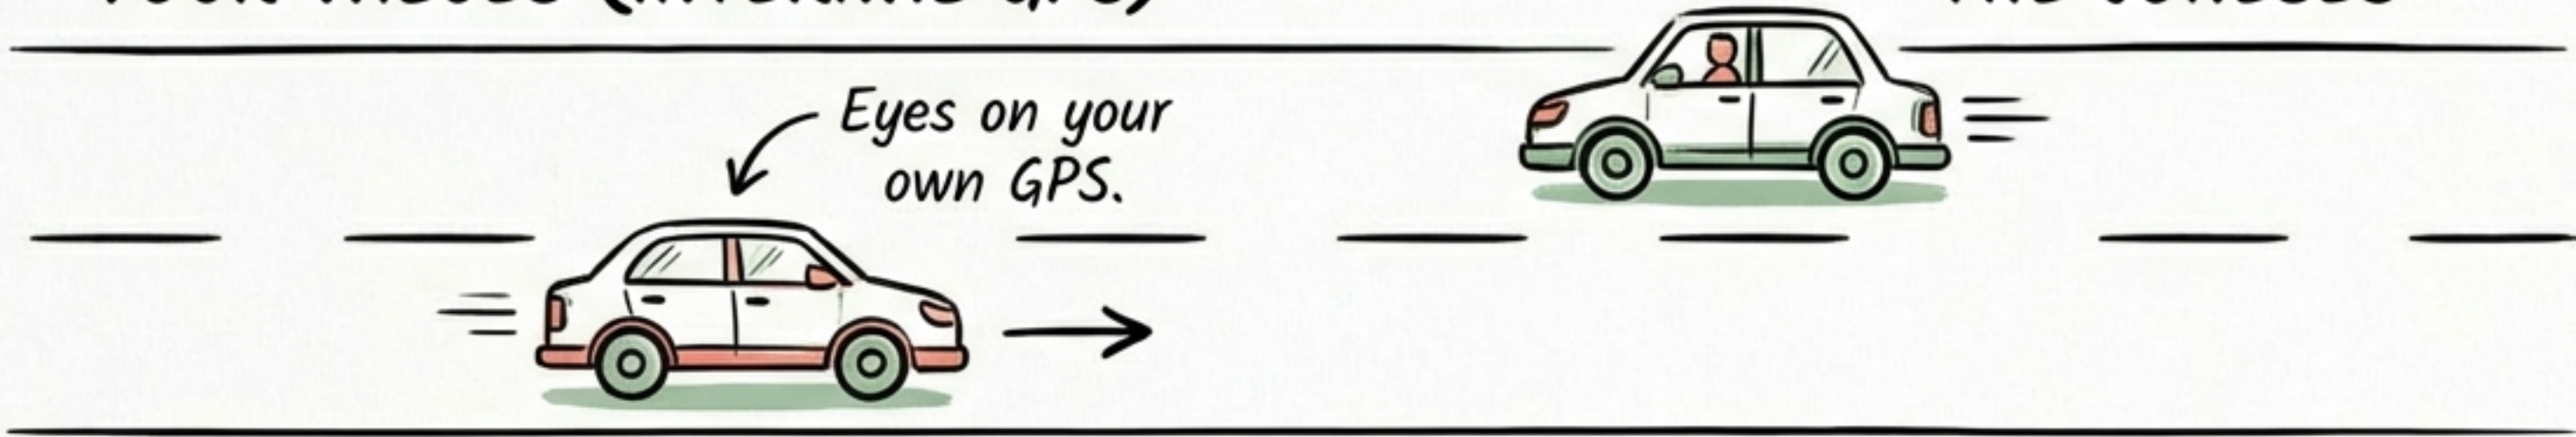

CAST OUT THE CRITIC.

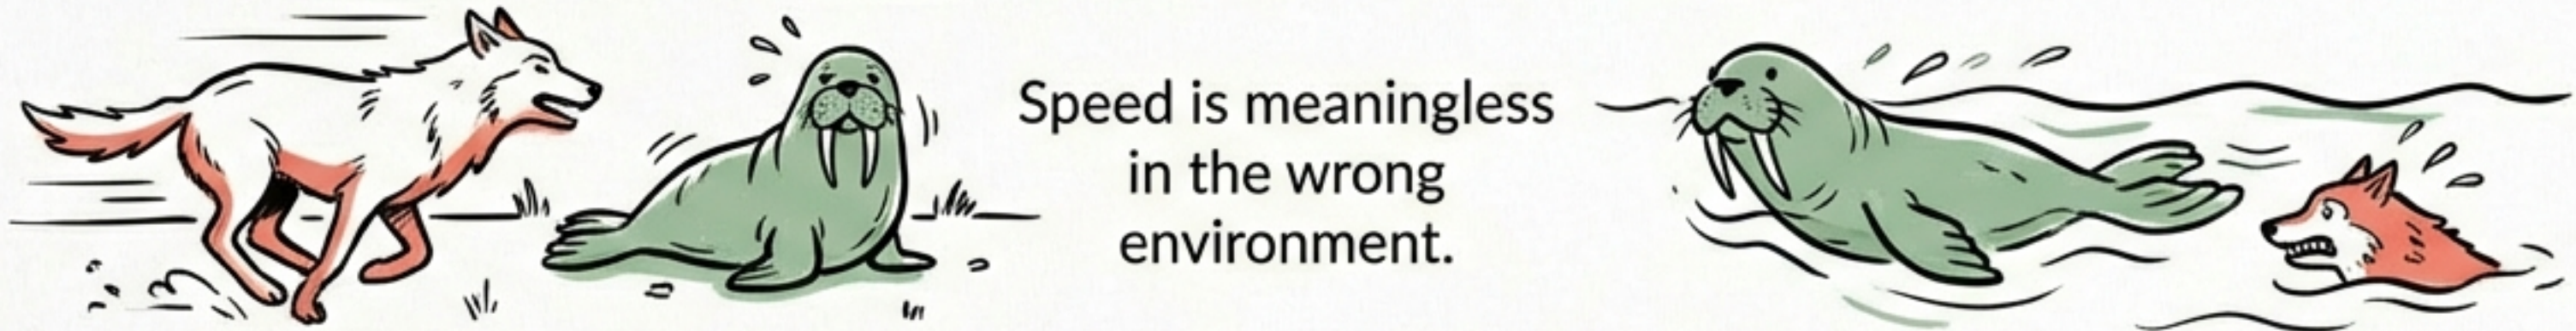

TARGETED TREATMENT: STAY IN YOUR LANE.

YOUR VALUES (INTERNAL GPS)

THE JONESES

THE WOLF VS. THE WALRUS

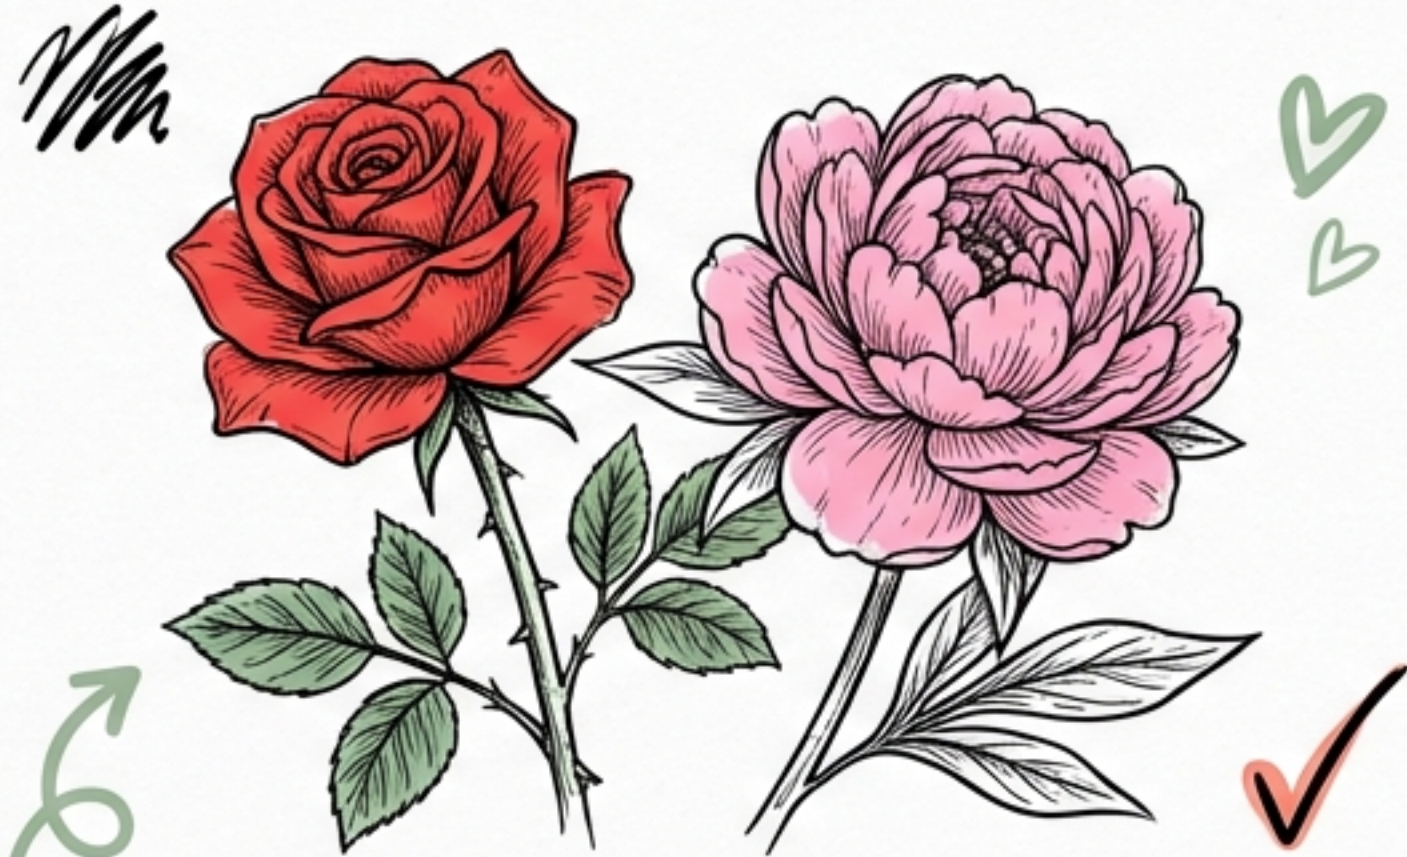

Everyone has their own pace and terrain.
Don't measure your speed on someone else's track.

BODY IMAGE: APPRECIATION OVER ANALYSIS.

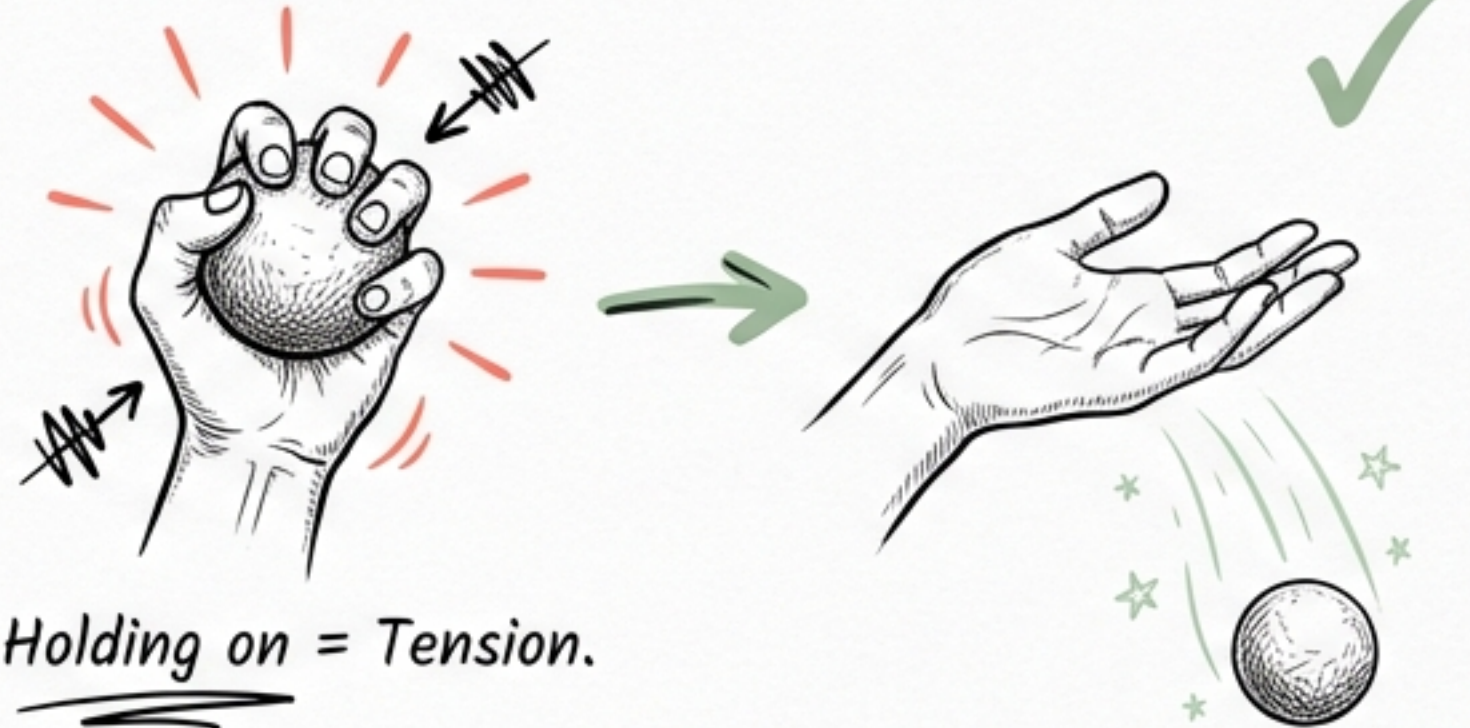

BODY IMAGE: **RADICAL ACCEPTANCE.**

You cannot fail at being a rose just
because you are a peony.
Nature thrives on diversity.

'Drop the Ball' Exercise.

Holding on = Tension.

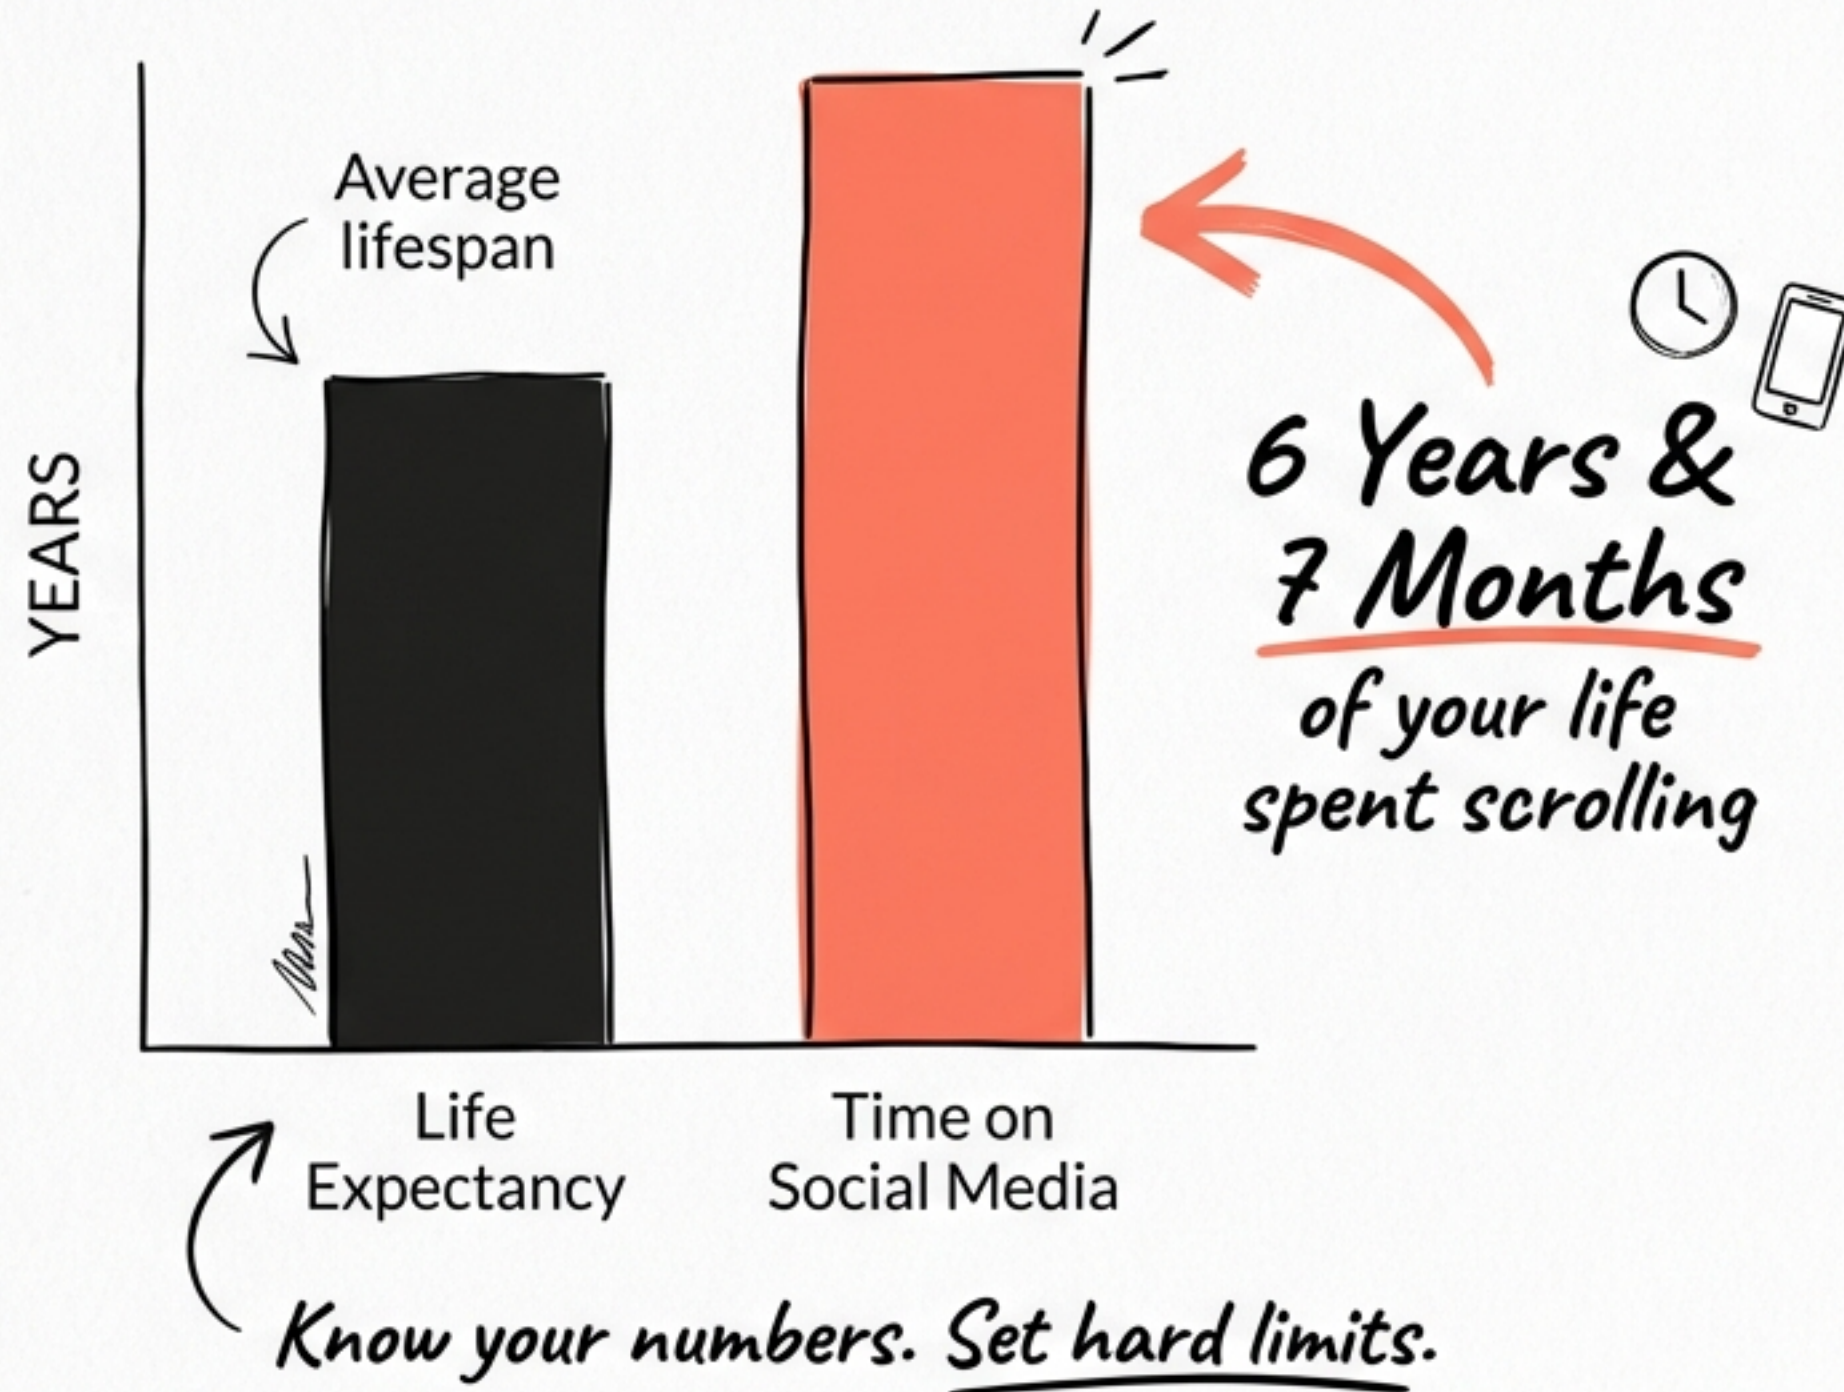

Acceptance is a choice to let go of the suffering.

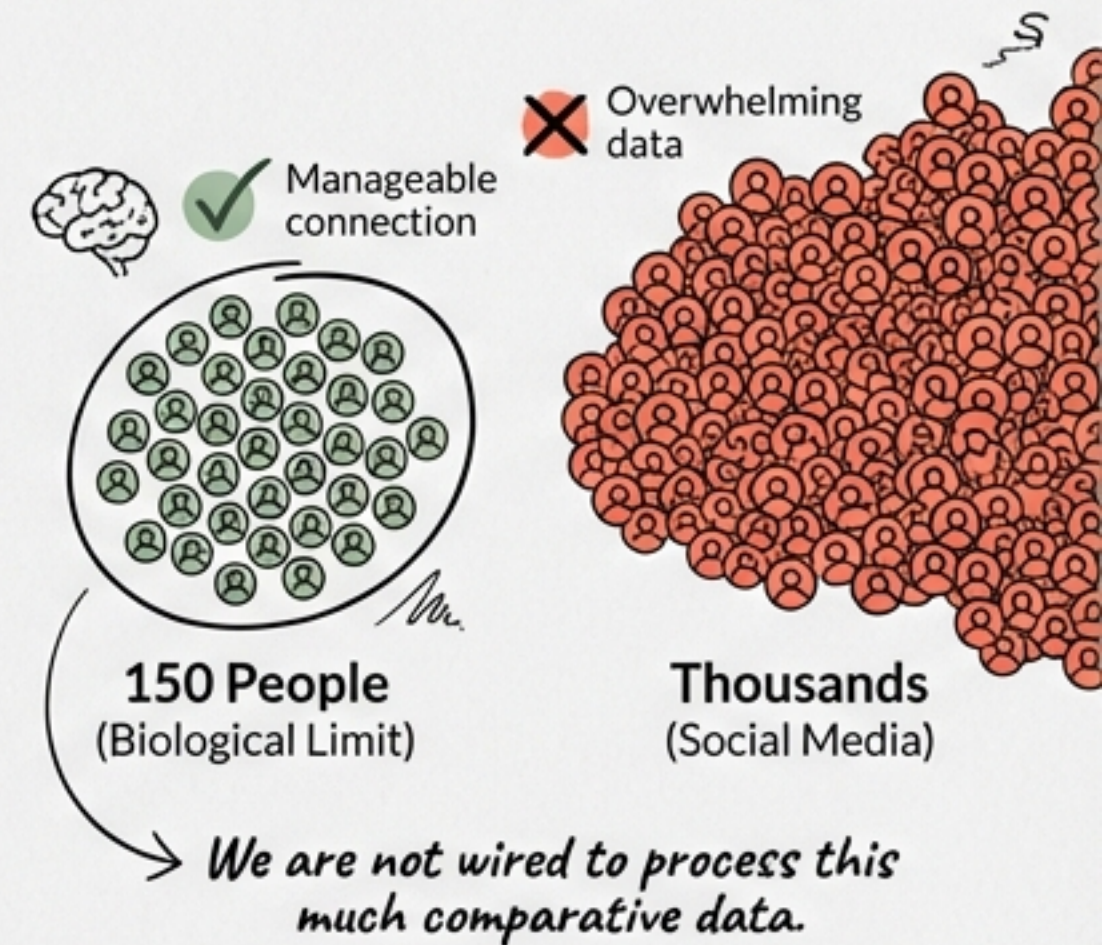

Retrain the Brain: Look for beauty, see beauty
(Baader-Meinhof Phenomenon).

TREATMENT FOR SOCIAL MEDIA

It's Not a Hammer. It's Not Neutral.

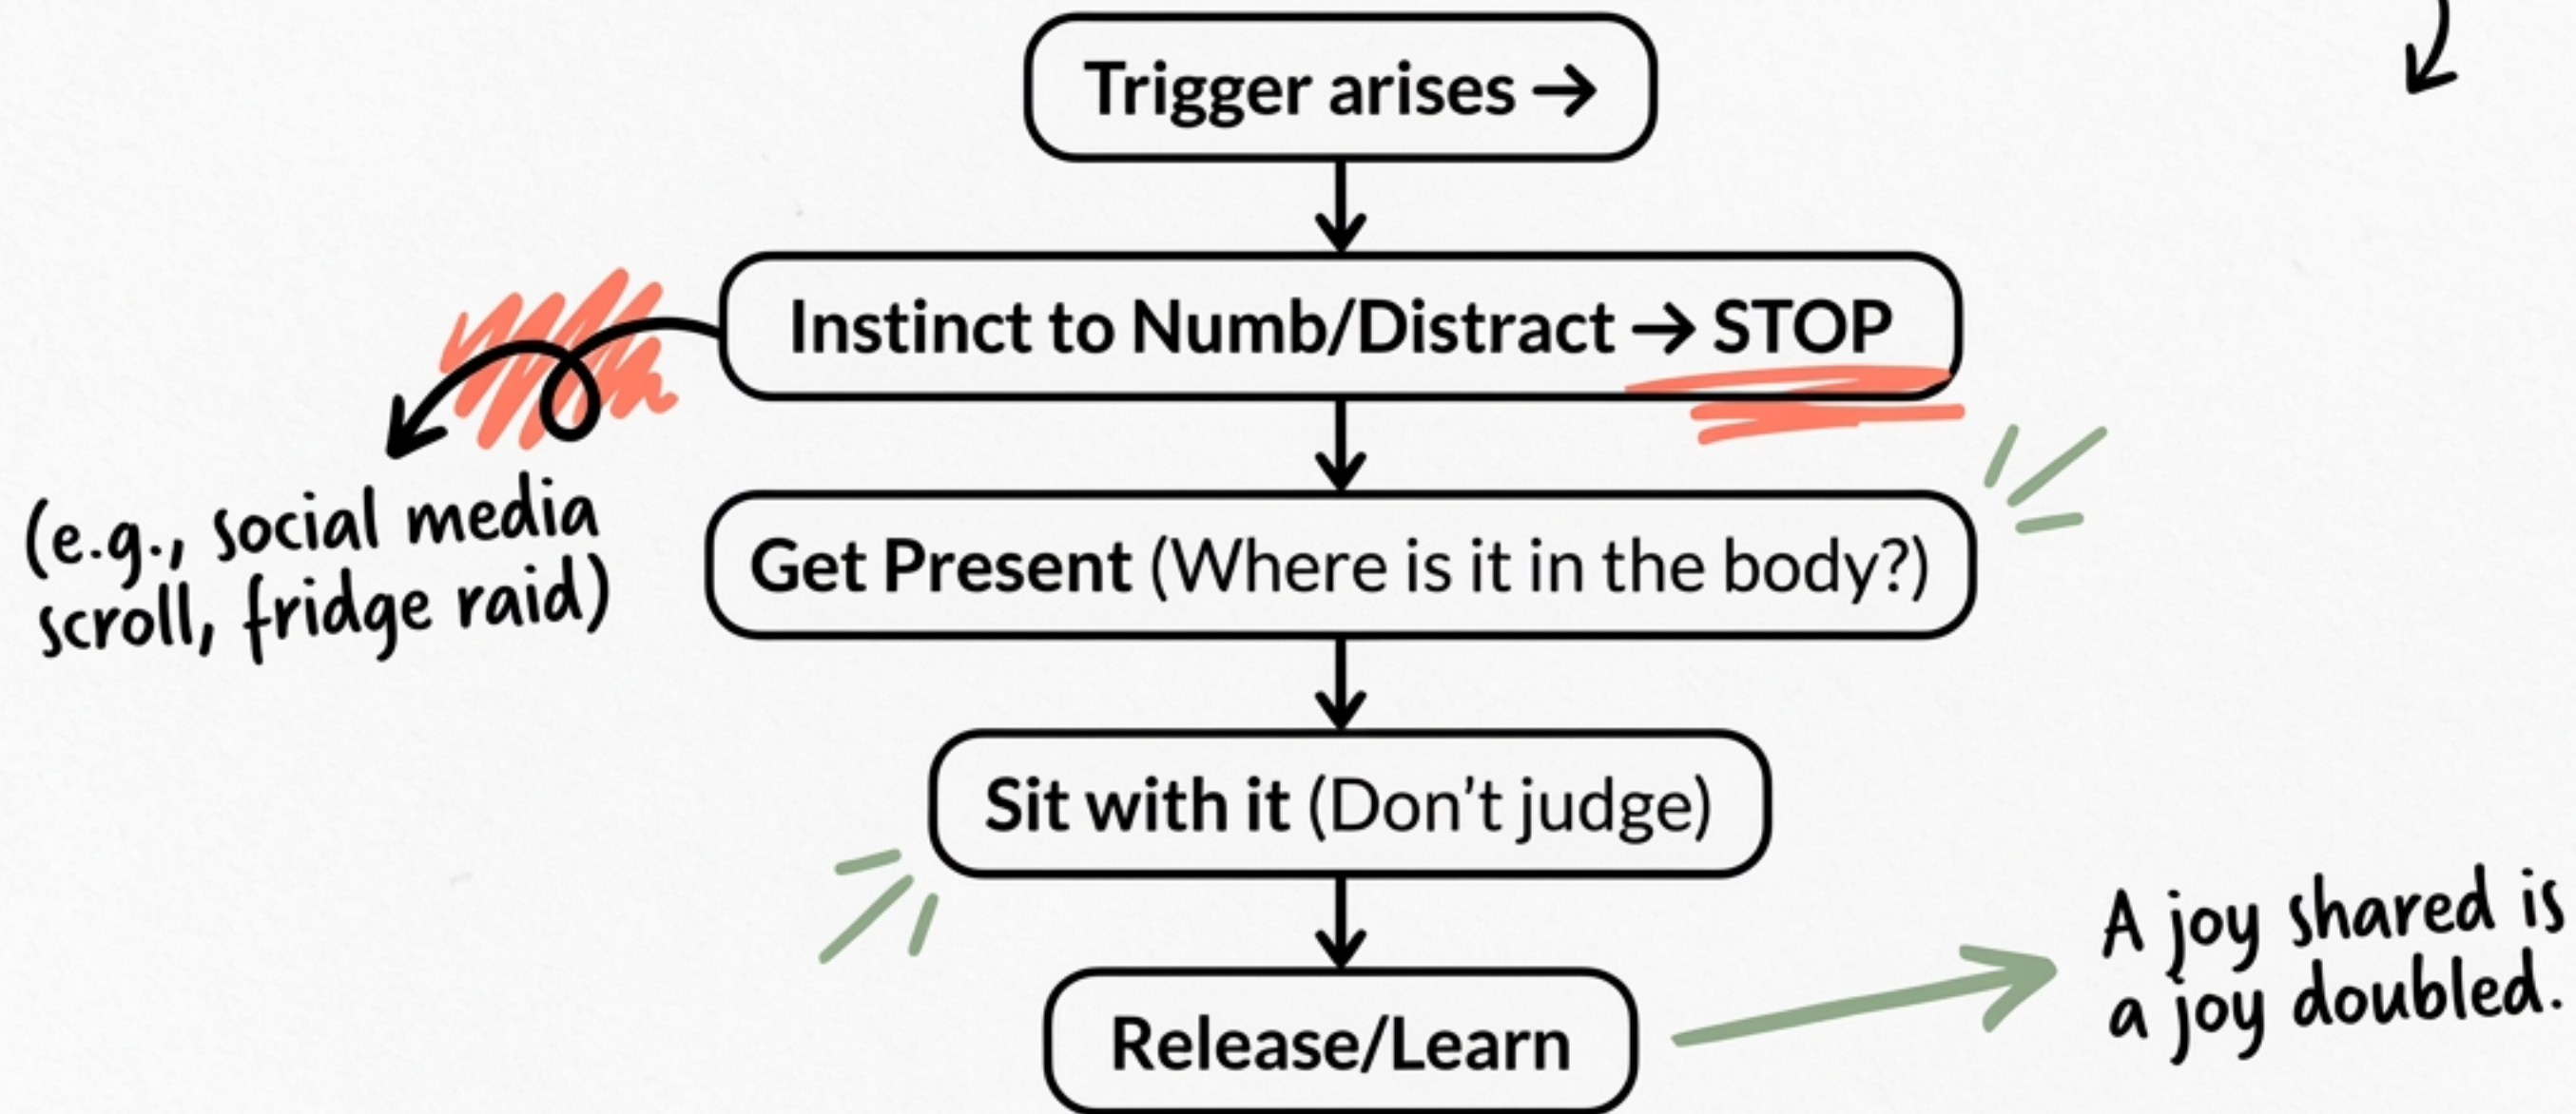

THE DUNBAR NUMBER

FRIENDSHIPS: TURNING ENVY TO INSPIRATION

HOW TO ACTUALLY FEEL YOUR FEELINGS

Use envy as data: What does their success show me is possible for MYSELF?
